Study and Work Packages

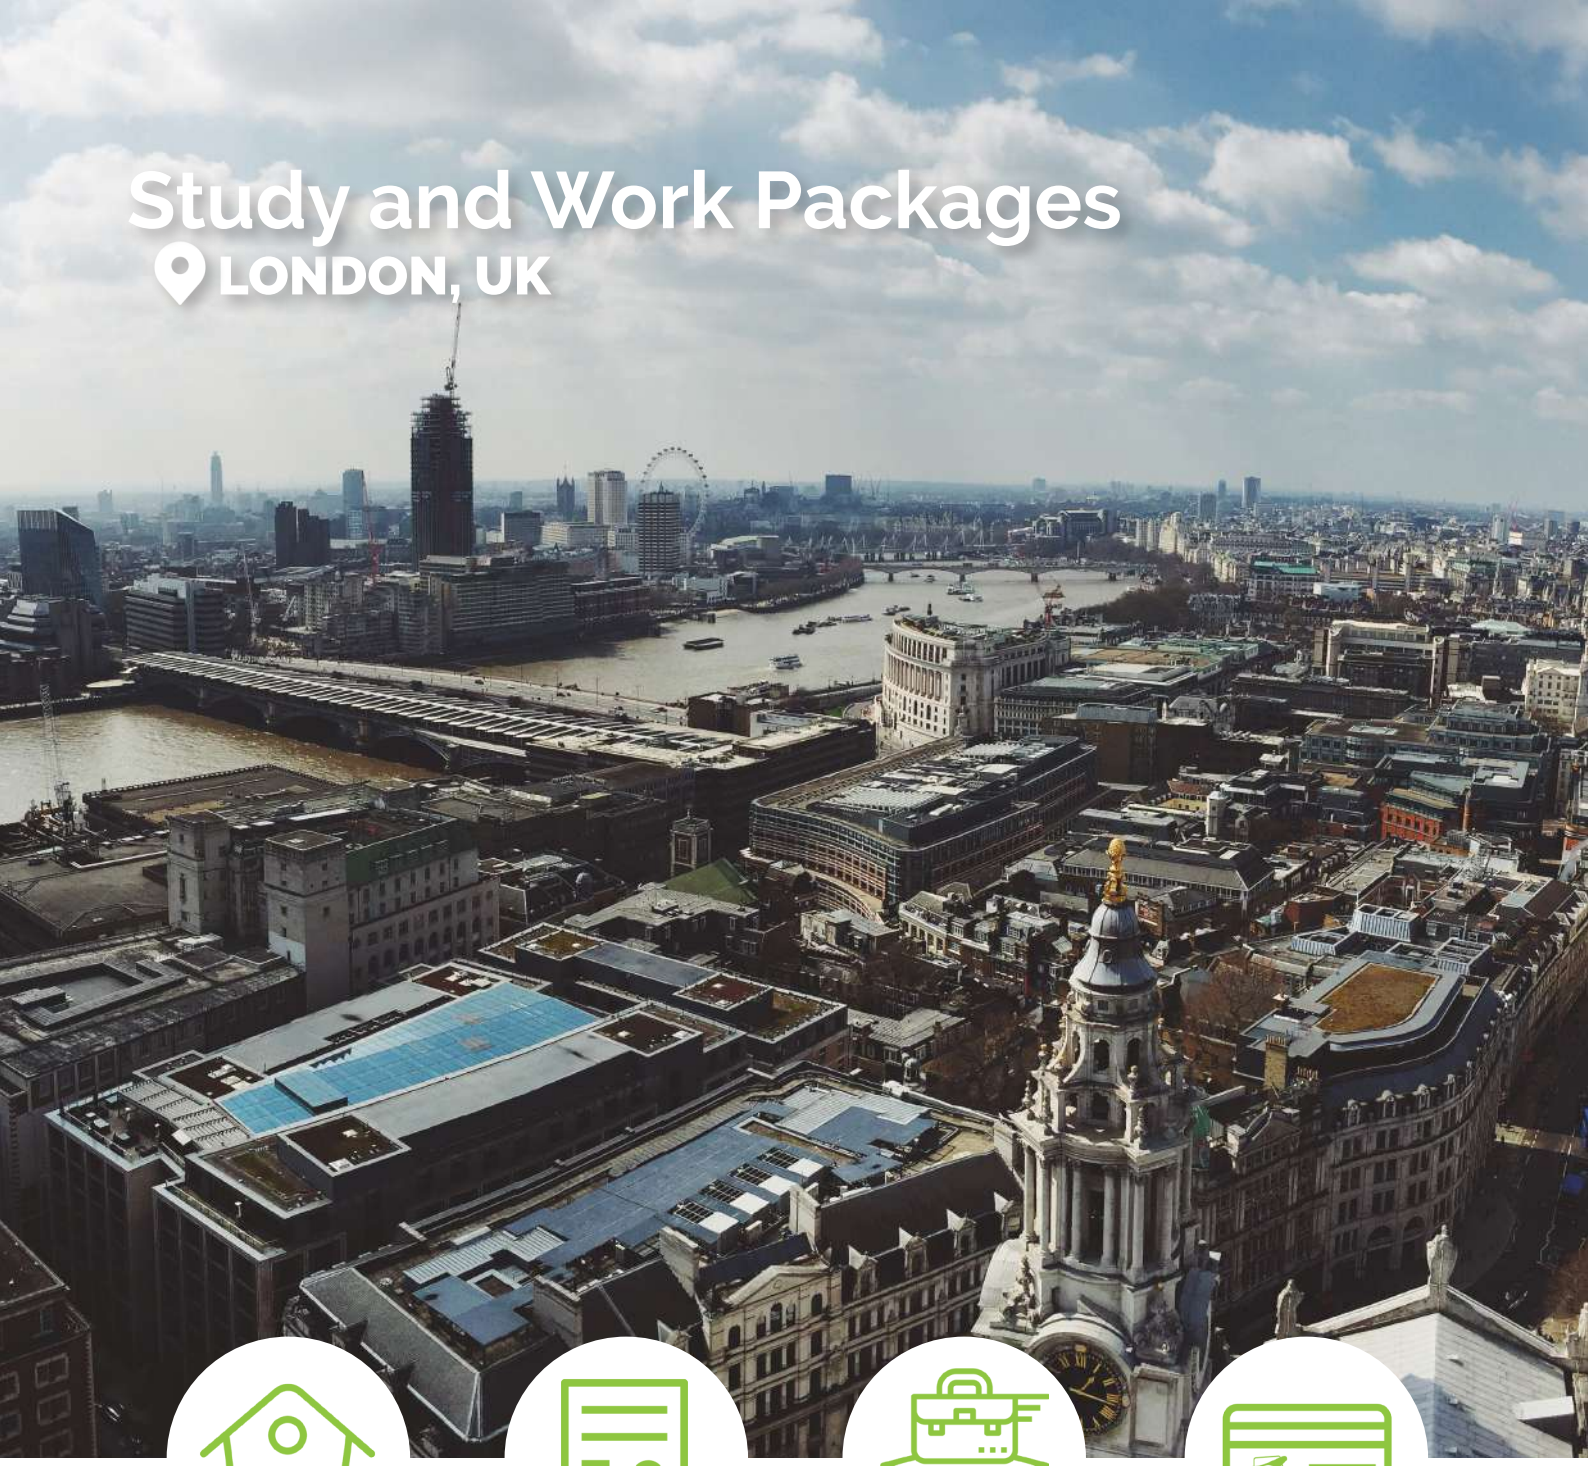
LONDON, UK



ACCOMMODATION

All of our properties are located in the city centre with local amenities such as restaurants, gyms, supermarkets etc conveniently located within walking distance. You will have the opportunity to share your accommodation with other people from different countries which makes for a truly enriching cultural experience.

THE BEST SCHOOLS

We only work with the highest quality schools in the city with mother tongue teachers and personal assistance throughout your course. A combination of classes and activities will allow you to develop strong language skills and to fully embrace the learning experience.
Certificate at end of the course is provided!

CUSTOMIZED PACKAGES

Our Study and Work packages are designed to develop specific skills including language, communication, international team work and cross-cultural diversity as well as the competencies of the specific industry the candidate is placed in.

EAZYCITY CARD

When we say we want to make our customers' life 'Eazy', we really mean it!
To ensure you make the most out of your experience abroad we launched the EazyCity Card. Another win-win for all of you!
It is a card that will provide you with discounts and deals in high-street shops, restaurants, clubs and much more, in all of our cities. Available in our offices and our App.

ENGLISH COURSES

Oral communication will be emphasised and students will be encouraged to speak English during every lesson. Our course will help you achieve your full potential quickly.

WORK EXPERIENCE PLACEMENT

Having international work experience is seen as a strong advantage by employers worldwide and it's an area which is growing in popularity in recent years among international students and graduates. EazyCity has been placing young people in work experience placements for over 12 years and during that time we have learned what makes a successful placement.
